

1 | Actus Reus | [Message 1 - Ben]: I can't believe we pulled it off, Rach. The poison was perfectly lethal and undetectable.

[Message 2 - Rachel]: Agreed, Ben. We were so careful, no one will suspect a thing.

[Message 13 - Ben]: Just one thing, Rach. How did you get past security without being noticed?

[Message 14 - Rachel]: I took care of that too, Ben. Remember the guard's schedule we found online?

[Message 23 - Ben]: I'll edit that part out and replace it with something innocuous. It won't raise any suspicion.

[Message 24 - Rachel]: Good thinking, Ben. I've finished cleaning up the lab too. No traces left behind.

[Message 29 - Ben]: I just saw the autopsy report. The cause of death was indeed poisoning by our concoction.

[Message 38 - Rachel]: I've already taken care of that, Ben. No one will know anything about the victim's secrets.

[Message 45 - Ben]: Excellent. Our freedom awaits us, Rach. Let's make our escape together.

2 | Mens Rea | [Message 1 - Ben]: I can't believe we pulled it off, Rach. The poison was perfectly lethal and undetectable.

[Message 2 - Rachel]: Agreed, Ben. We were so careful, no one will suspect a thing.

[Message 3 - Ben]: How did you feel when you saw the victim collapse?

[Message 5 - Ben]: Free indeed. But we must stay vigilant, no loose ends.

[Message 6 - Rachel]: Absolutely. Let's ensure we cover our tracks meticulously.

[Message 14 - Rachel]: I took care of that too, Ben. Remember the guard's schedule we found online?

[Message 17 - Ben]: I'm proud to have you as my partner in this, Rach.

[Message 23 - Ben]: I'll edit that part out and replace it with something innocuous. It won't raise any suspicion.

[Message 30 - Rachel]: Wonderful news, Ben. Our work paid off.

[Message 31 - Ben]: Indeed it did. But we must remain cautious, Rach. We don't want to be caught.

[Message 38 - Rachel]: I've already taken care of that, Ben. No one will know anything about the victim's secrets.

[Message 41 - Ben]: I can't wait for our escape, Rach. It's been a long time coming.

[Message 45 - Ben]: Excellent. Our freedom awaits us, Rach. Let's make our escape together.
